A History of Organic Growth

Five Star Bancorp was founded in 1999 by a group of local entrepreneurs who wanted to create the kind of personalized banking services they desired themselves – services provided by industry experts who were committed to partnerships grounded in shared vision and goals. Today, Five Star Bancorp is a community business bank guided by purpose-driven banking, community stewardship, regional and industry expertise, and a commitment to economic development. In May 2021, the Company completed its initial public offering. Prior to this achievement, and for over twenty years, the Company focused on organic growth by strategically and thoughtfully expanding its reach in Northern California (and beyond) and by developing its team, banking groups, internal processes, community partnerships and brand. In 2023, the Company expanded into the San Francisco Bay Area.

Today, the Company provides a broad range of banking products and services to small and medium-sized businesses, professionals, and individuals primarily in Northern California through seven branch offices, and the internet with our mobile banking applications. Our primary loan products are commercial real estate loans, commercial loans, commercial land and construction loans and farmland loans. Our principal geographic market is the Capital Region (Elk Grove, Rancho Cordova, Roseville and Sacramento), the North State (Chico, Redding and Yuba City) and the nine-county San Francisco Bay Area.

The geographies we serve have profitable and productive economies driven by the governmental, education, technology, healthcare, agricultural and manufacturing sectors. Since 2016, our market share of the total deposits in the Greater Sacramento Area has increased significantly, according to the Federal Deposit Insurance Corporation (FDIC) Deposit Market Share Reports. We believe our market growth confirms the quality of the integrity-centered banking we strive to deliver to clients. Our mission is to become the top business bank in the markets we serve through exceptional service, deep connectivity, and client empathy.

A Year of Opportunity, Momentum & Recognition

In 2023, we significantly grew our team through the San Francisco Bay Area expansion, adopted new technology, further defined our banking groups, deepened our commitment to Diversity, Equity and Inclusion (“DE&I”) initiatives and created robust internal training and development programs. The strength of our team also brought Five Star Bancorp a tremendous amount of recognition including clients with executives listed among the Sacramento Business Journal’s Most Admired CEOs, the Sacramento Metropolitan Chamber of Commerce’s Business awards and the Small Business Administration’s awards. Company executives and leaders were recognized with a Sacramento Business Journal C-Suite award, a Comstock’s Magazine Woman in Leadership award, a Sacramento Bee Latino Change Maker award, a Commercial Real Estate Women Nancy Hotchkiss Woman of Impact award, and a Sacramento

Hispanic Chamber of Commerce Rising Estrella award. The Company was also placed on the Sacramento Business Journal’s Fastest Growing Companies and Best Places to Work lists.

In 2023, the Company was pleased to have been recognized as the 2022 S&P Global Market Intelligence #1 Best-Performing Community Bank in the nation (banks with assets between \$3 billion and \$10 billion). The Company also received the 2022 Raymond James Bankers Cup and was listed among the 2023 Piper Sandler Sm-All Stars, the 2023 Independent Banker Top Commercial Banks with More than \$1 billion in Assets and the 2023 American Banker’s Top-Performing Banks with \$2 billion to \$10 billion in assets.

These awards are attributable to our highly engaged, motivated, and committed team.

A Culture of Engagement & Belonging Diversity, Equity & Inclusion

The Company facilitates talent attraction and retention through an inclusive, safe, and healthy workplace where employees have opportunities to grow and develop their careers. They are also supported by strong compensation, benefits and health and welfare programs. As of December 31, 2023, we had 180 full-time and 5 part-time employees. In addition to salaries, we offer annual bonus opportunities, a 401(k) plan with an employer matching contribution, healthcare and insurance benefits, flexible spending accounts, paid time off, family leave, and an employee assistance program. We invest in the growth and development of our employees by providing a multi-dimensional approach to learning that empowers, intellectually grows, and professionally develops our employees through support to attend conferences and obtain degrees, licenses, and certifications. This support has resulted in a highly educated and exceptionally engaged workforce.

Further, DE&I initiatives and programs are foundational to our core business model as we seek to ensure forward-thinking principles permeate workforce development as well as relationships with community partners and clients. We understand and appreciate the complexity and importance of the inclusion of a full range of identity groups, from ethnicity and nationality to age, gender, religious commitment, socioeconomic status, sexual orientation, and those with disabilities. We also recognize DE&I initiatives build trust which affects financial ecosystems and drives companies' bottom lines.

Banking can often leave clients feeling vulnerable and exposed as they reveal details of their financial history. There is a vulnerability that can be difficult to overcome if trust has not been created - and trust is often more easily established between those with shared experiences. We believe embracing and understanding this reality through a diverse workforce creates opportunity not only from a business perspective but also opportunity to profoundly help those from diverse communities. We believe a successful program will ultimately benefit both the Company and those the Company serves.

Environmental, Social & Governance

Five Star Bancorp takes a proactive approach to Environmental, Social and Governance ("ESG") initiatives and believes our ability to manage ESG demonstrates strength in leadership and governance that is essential to sustainable growth.

We are executing ESG strategies which will drive positive change while focusing on the impacts of our business, social factors in the communities we serve and the governance of our board of directors. As stewards of our environment, we also support clients focused on sustainable energy and environmental impact, from affordable energy to climate action.

We believe social impact is inherent in banking and we work with clients and partners committed to the same values. We also support clients who provide innovative environmental solutions and restore life and vitality to areas devastated by catastrophic events and the environmental and humanitarian crises surrounding the un-housed.

Please refer to the Company's 2023 Environmental, Social & Governance report for more information on 2023 ESG initiatives.

Exceptional Credit Quality

Exceptional asset quality has consistently been our focus. We have well-established loan policies and underwriting practices that have resulted in very low levels of charge-offs and nonperforming assets. Additionally, we have a multifaceted loan monitoring framework established to regularly evaluate our asset quality after the origination process. Our 2023 results are a testament to the strength of our loan portfolio. The ratio of nonperforming loans to period end loans was six basis points as of December 31, 2023, representing an increase of five basis points from the prior year. Our allowance for loan losses increased from 2022, primarily due to growth in the loan portfolio and the adoption of CECL rather than deteriorating credit quality. Looking ahead to 2024, asset quality remains at the forefront of our objectives.

FIVE STAR BANK proudly supports women in business and those serving our region's most vulnerable. Our customers, 3STRANDS GLOBAL FOUNDATION, WEAVE and PRO YOUTH AND FAMILIES advocate for communities, drive collaboration and foster responsive, community-based programs that promote healthy relationships while supporting survivors of sexual assault, domestic violence and human trafficking. Our clients are change-agents who inspire, motivate and uplift those who need us most. Together, we can build a healthier future for the families and communities in the Capital Region.

Information Technology Investments

In 2023, we continued to make investments in our information technology systems and staff for our banking and lending operations and treasury management activities. We believe this investment will support our continued growth and enable us to enhance our capabilities to offer new products, improve the overall client experience, improve profitability through efficiencies, and provide scale for future growth. We utilize nationally recognized software vendors, using their cloud/hosted models, which allows us to outsource the processing of our data which provides greater scalability and disruption avoidance.

Community Reinvestment, Non-profit Support & Impact

In 2023, Five Star Bancorp was an engaged member of many Chambers of Commerce. Among other initiatives, we were committed to supporting educational programs, affordable housing, and non-profit clients. We are committed to a robust Community Reinvestment Act ("CRA") Program and you will read more about these efforts in this report.

Five Star Bancorp is extensively engaged with a wide range of non-profits and economic development corporations in the communities we serve through

direct charitable giving and through active board engagement. Our executive team members serve on numerous non-profit boards of directors, including 3Strands Global Foundation, the Sacramento Hispanic Chamber of Commerce, the Sacramento Black Chamber of Commerce, the Asian Pacific Chamber of Commerce, Sacramento Regional Conservation Corps, Sacramento Food Bank & Family Services, Project R.I.D.E., and the American River Parkway Foundation.

In 2023, we continued our commitment to educational initiatives as mentors, funders and advocates, including at Cristo Rey High School Sacramento and Capital College & Career Academy. We support the meaningful work of those who serve students from low-to-moderate income communities who have little financial and emotional support.

We stand on a sturdy foundation of what we have built together so that we may encourage, support, and strengthen those who need us most.

Executive Leadership Depth

Five Star Bancorp's leadership team includes executives who have diverse backgrounds, education, ages, and areas of expertise. They share a depth of knowledge of the Company's corporate culture, strategic objectives, core business model, business verticals, and client expectations. They are each committed to an exceptional client experience guided by a speed to serve and certainty of execution. Our executive leadership is a synergistic and dynamic team with a high level of mutual respect and trust; this trust permeates the entire organization and has made Five Star Bancorp an attractive company for employees to experience their own successes.

A Look Ahead

While we remain focused on the future and maintaining a position of respect and distinction in the markets and communities we serve, we are proud to look back at 2023 as an extraordinary year of achievement. The Company's stellar performance included year-over-year growth in loans, assets, and deposits, strong earnings per share, and a regular shareholder dividend. This is emblematic of the cohesion that exists among our team which grew in strength and stamina after being a vital force for clients. An adaptive team is critical to our success and we will continue to hire those who can quickly respond to changing market conditions and demands.

In the coming year, we will stay at the forefront of innovation and technology by making investments in people and processes. We will also remain focused on the successful execution of our ongoing digital transformation and the continued build-out of our banking groups and the San Francisco Bay Area market.

We are humbled and proud of our team's accomplishments and look forward to the continuation of our organic growth story. Five Star Bancorp has never been better positioned for the future. We look to the coming year with optimism and in anticipation of the possibilities it holds for all of us. Our clients, shareholders and employees are our driving force, our reason for existing and our greatest champions. It has been our privilege to serve you.

“ During a group project, my group had to assemble a 12 foot frame which seemed simple enough. Another group was doing the other side. We finished pretty quickly and carried our frame out to where we were going to assemble it. We had to be in sync, moving at the same pace, turning at the same time, and watching out for obstacles. Once everything was set, there was the shell of a building and it made me feel accomplished. We collaborated and turned some pieces of wood and nails into that. And as the day ended and it was time to go, I pointed it out to my mom and said, ‘I helped build that.’
