FIVE STAR BANCORP

### Safe Harbor Statement and Disclaimer

#### **Forward-Looking Statements**

In this presentation, "we," "our," "us," "Five Star" or "the Company" refers to Five Star Bancorp, a California corporation, and our consolidated subsidiaries, including Five Star Bank, a California state-chartered bank, unless the context indicates that we refer only to the parent company, Five Star Bancorp. This presentation contains forward-looking statements within the meaning of the Private Securities Litigation Reform Act of 1995. These forward-looking statements represent plans, estimates, objectives, goals, guidelines, expectations, intentions, projections and statements of the Company's beliefs concerning future events, business plans, objectives, expected operating results and the assumptions upon which those statements are based. Forward-looking statements include without limitation, any statement that may predict, forecast, indicate or imply future results, performance or achievements, and are typically identified with words such as "may," "could," "should," "will," "would," "believe," "anticipate," "expect," "aim," "intend," "plan" or words or phases of similar meaning. The Company cautions that the forward-looking statements are based largely on the Company's expectations and are subject to a number of known and unknown risks and uncertainties that are subject to change based on factors which are, in many instances, beyond the Company's control. Such forward-looking statements are based on various assumptions (some of which may be beyond the Company's control) and are subject to risks and uncertainties, which change over time, and other factors which could cause actual results to differ materially from those currently anticipated. New risks and uncertainties may emerge from time to time, and it is not possible for the Company's forward-looking information and statements contained in this press release. Therefore, the Company cautions you not to place undue reliance on the Company's forward-looking information and statements are set forth in the Company's Annual Report on Form 10-K for the year end

The Company disclaims any duty to revise or update the forward-looking statements, whether written or oral, to reflect actual results or changes in the factors affecting the forward-looking statements, except as specifically required by law.

#### **Industry Information**

This presentation includes statistical and other industry and market data that we obtained from government reports and other third-party sources. Our internal data, estimates, and forecasts are based on information obtained from government reports, trade, and business organizations and other contacts in the markets in which we operate and our management's understanding of industry conditions. Although we believe that this information (including the industry publications and third-party research, surveys, and studies) is accurate and reliable, we have not independently verified such information. In addition, estimates, forecasts, and assumptions are necessarily subject to a high degree of uncertainty and risk due to a variety of factors. Finally, forward-looking information obtained from these sources is subject to the same qualifications and the additional uncertainties regarding the other forward-looking statements in this presentation.

#### **Unaudited Financial Data**

Numbers contained in this presentation for the quarter ended September 30, 2022 and for other quarterly periods are unaudited. Additionally, all figures presented as year-to-date, except for periods that represent a full fiscal year ended December 31, represent unaudited results. As a result, subsequent information may cause a change in certain accounting estimates and other financial information, including the Company's allowance for loan losses, fair values, and income taxes.

#### **Non-GAAP Financial Measures**

The Company uses financial information in its analysis of the Company's performance that is not in conformity with accounting principles generally accepted in the United States of America ("GAAP"). The Company believes that these non-GAAP financial measures provide useful information to management and investors that is supplementary to the Company's financial condition, results of operations, and cash flows computed in accordance with GAAP. However, the Company acknowledges that its non-GAAP financial measures have a number of limitations. See the appendix to this presentation for a reconciliation of these non-GAAP measures to the most directly comparable GAAP financial measures.

## **Asset Quality**

Our primary objective is to maintain a high level of asset quality in our loan portfolio. In order to maintain our strong asset quality, we:

- Place emphasis on our commercial portfolio, where we reevaluate risk assessments as a result of reviewing commercial property operating statements and borrower financials
- Monitor payment performance, delinquencies, and tax and property insurance compliance
- Design our practices to facilitate the early detection and remediation of problems within our loan portfolio
- Employ the use of an outside, independent consulting firm to evaluate our underwriting and risk assessment process

With Five Star Bank, Kitchen Mart has a business partner who has gotten to know us and looks for ways they can help us succeed. When COVID-19 impacted our business, Five Star Bank was immediately there for us with PPP. They helped us overcome the challenge. As a customer of Five Star Bank, we aren't just another face in the crowd.

Dave Hollars, President & Owner, Kitchen Mart

We are so grateful to Five Star Bank for being long-term supporters and advocates of Corpsmembers and the work of the Sacramento Regional Conservation Corps.

Paula Birdsong, Executive Director, SRCC

We strive to become the top business bank in all markets we serve through exceptional service, deep connectivity, and customer empathy. We are dedicated to serving real estate, agricultural, faith-based, and small to medium-sized enterprises. We aim to consistently deliver value that meets or exceeds the expectations of our shareholders, customers, employees, business partners, and community.

### Appendix: Non-GAAP Reconciliation (Unaudited)

The Company uses financial information in its analysis of the Company's performance that is not in conformity with GAAP. The Company believes that these non-GAAP financial measures provide useful information to management and investors that is supplementary to the Company's financial condition, results of operations, and cash flows computed in accordance with GAAP. However, the Company acknowledges that its non-GAAP financial measures have a number of limitations. As such, investors should not view these disclosures as a substitute for results determined in accordance with GAAP. Additionally, these non-GAAP measures are not necessarily comparable to non-GAAP financial measures that other banking companies use. Other banking companies may use names similar to those the Company uses for the non-GAAP financial measures the Company discloses but may calculate them differently. Investors should understand how the Company and other companies each calculate their non-GAAP financial measures when making comparisons.

Average loan yield, excluding PPP loans, is defined as the daily average loan yield, excluding PPP loans, and includes both performing and nonperforming loans. The most directly comparable GAAP financial measure is average loan vield.

Total assets, excluding PPP loans, is defined as total assets less PPP loans. The most directly comparable GAAP financial measure is total assets.

Pre-tax, pre-provision net income is defined as net income plus provision for income taxes and provision for loan losses. The most directly comparable GAAP financial measure is pre-tax net income.

Tangible book value per share is defined as total shareholders' equity less goodwill and other intangible assets, divided by the outstanding number of common shares at the end of the period. The most directly comparable GAAP financial measure is book value per share. We had no goodwill or other intangible assets at the end of any period indicated. As a result, tangible book value per share is the same as book value per share at the end of each of the periods indicated.
